PERIWINKLE TABLE LAMP

Specification Sheet

This ceramic table lamp is an exercise in considered design and sustainable craftsmanship. Cast from recycled clay and hand-glazed, the Periwinkle captures light beneath a draped shade, directing it softly downwards to celebrate the unique reactive glaze finish. Each piece is one-of-a-kind, a testament to artisan production and thoughtful interior design. Proudly designed and made in Australia.

Available Glazes / Finishes:

224270 COAST

224291 STORM

224206 RIVERGUM

224202 WHITE OCHRE

224208 POPPYSEED

224227 SHALE

2242OG OLIVE

224203 ROSE QUARTZ

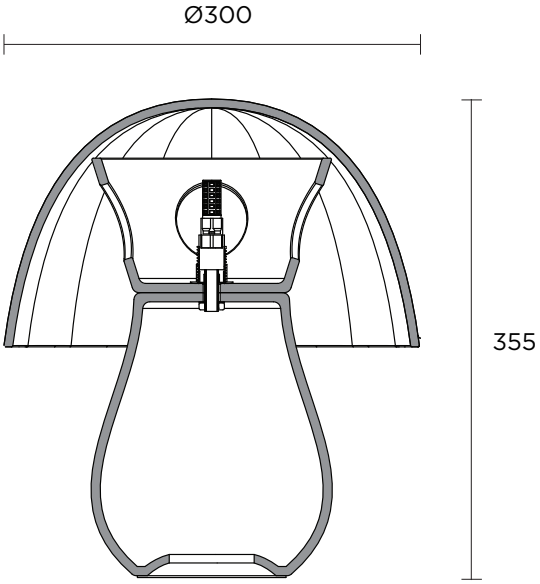

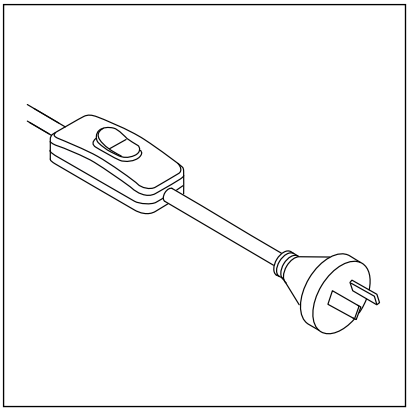

224224S SAND

Disclaimer: Due to the natural characteristics of clay and our high-temperature firing process, variations in colour and shade are an inherent feature of our ceramics. Our reactive glazes create unique finishes, ensuring no two pieces are exactly alike. If you are seeking a particular shade, we recommend selecting your piece in person to appreciate its true colour and finish.

INTERIORS

Thank you for purchasing high quality Australian made product, proudly designed and crafted by Robert Gordon Pottery. All our ceramic lighting products are made from high fired stoneware and adhere to all Australian standards and requirements.

To ensure correct function and safety, please read and follow all instructions carefully before assembly. Keep this document handy for future reference.

Installation instructions:

1. Gently remove all outer foam and excess card packaging. Be careful not to drop any pieces as they are fragile and likely to break. As the foam is biodegradable, it can be either reused, dissolved in water or composted. Make sure all components of lamp are undamaged and the lamp holder **(D)** is fully tightened into ceramic collar **(C)** before installation.
2. Secure the included LED bulb **(B)** into the lamp holder **(D)** with a gentle push.
3. Carefully position ceramic shade **(A)** over ceramic collar **(C)** until piece makes contact. Level the shade to your satisfaction. As the piece isn't fixed, regular adjustments may be required to re-align pieces.
4. Your lamp is now ready to use and to bring the perfect ambience to your home!

Please note:

As the ceramic shade of the Periwinkle light is not fixed, always be cautious of where you position your lamp. Heavy knocks could potentially cause shade to dismount and break.

The Periwinkle lamp is only intented for interior settings and not suitable for outdoor conditions.

Ceramic shade, collar and base, may be cleaned using a damp cloth, but please avoid lamp holder or any other electrical points of contact. Only clean lamp when it is OFF and disconnected from the wall.

For bulb replacement, this product accepts a MAX 3W LED G9 Globe

Installation requirements

- When replacing bulb, do not exceed the maximum wattage rating.
- Ensure a suitable location for installation. This product is intended for indoor use only. Do not install in front of air flow vents or systems and areas compromised by moisture of dampness. If installation area is prone to moisture an appropriate exhaust fan may be required. Damage caused by corrosion is not a product fault, and as such not covered under product warranty.
- Check entire product before installation for any sign of damage. Do not install product if there appears to be signs of damage in any way.

Safety tips / Maintenance

- Always ensure the power is OFF and the light fitting has cooled down before carrying out any maintenance or cleaning of globe or pendant.
- To avoid damage to lamp, ensure all components such as the lamp holder are secure before connecting to power.
- Ensure that the fitting does not come in contact with corrosive chemicals, etc.

Warranty

- This product is covered by a 12 month warranty, from date of purchase.
- Retain proof of purchase through digital or hard copy documentation.
- Warranty will be void if there is any damage to product, due to improper usage or modification to fitting.
- Failure to follow the instructions in this manual may increase the risk of damage or injury and will void warranty.
- If luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.
