MADE IN AUSTRALIA

LARGE BACKLIT DISC LIGHT

Specification Sheet

This Large Backlit Disc Wall Light brings a quieter, more considered approach to interior lighting. The circular ceramic form casts a subtle, ambient halo that beautifully complements existing wall and overhead collections, turning ambient light into a sculptural statement. Each disc is hand-crafted in our Melbourne workshop. Proudly designed and made in Australia.

Available Glazes / Finishes:

226170 COAST

226191 STORM

226119 SALTBUSH

226125 STONE

226102 WHITE OCHRE

226108 POPPYSEED

226127 SHALE

226161 BONE

226106 RIVERGUM

22610G OLIVE

226103 ROSE QUARTZ

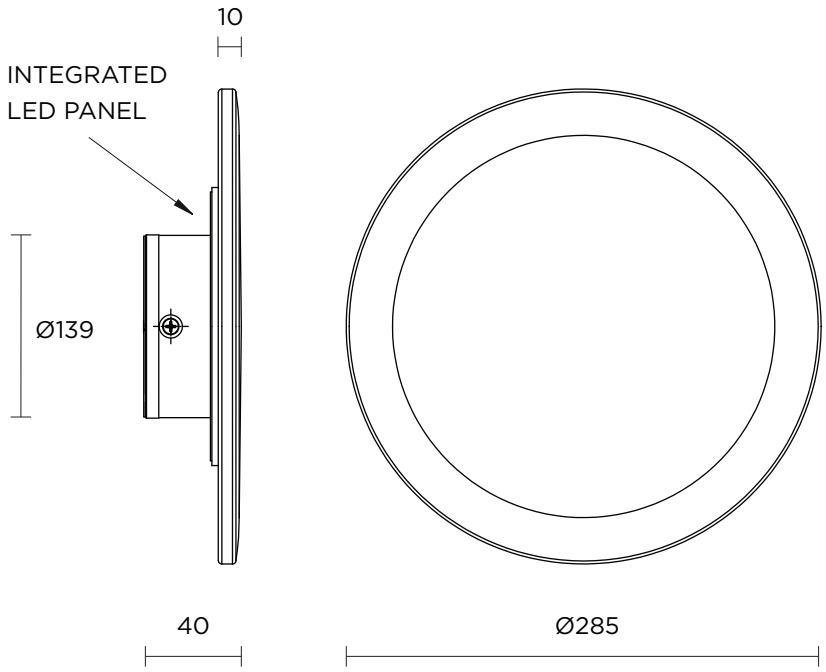

226124S SAND

Disclaimer: Due to the natural characteristics of clay and our high-temperature firing process, variations in colour and shade are an inherent feature of our ceramics. Our reactive glazes create unique finishes, ensuring no two pieces are exactly alike. If you are seeking a particular shade, we recommend selecting your piece in person to appreciate its true colour and finish.

ROBERT
GORDON

INTERIORS

Thank you for purchasing high quality Australian made product, proudly designed and crafted by Robert Gordon Pottery. All our ceramic lighting products are made from high fired stoneware and adhere to all Australian standards and requirements.

To ensure correct function and safety, please read and follow all instructions carefully before assembly. Keep this document handy for future reference.

Installation instructions

1. Remove all packaging material from lighting product. Be careful not to discard any small parts such as screws that may be hidden within the boxing.
2. Use the mounting bracket **(C)** as a template to mark screw positions on the wall.
3. Once the position is confirmed, install the mounting bracket **(C)** onto wall by mounting screws **(D)**, using wall anchors **(A)** if required.
4. Make sure the main power supply is turned off. Connect the mains supply wire to the terminal block **(E)**. Ensure the wires are secure and that no bare wires are exposed.
5. Secure the luminaire **(F)** to the mounting bracket **(C)** using fixing screws **(B)** and the supplied silicone washer. **(C)** using the fixing screws **(B)** provided.

THIS ITEM MUST BE INSTALLED BY A LICENSED ELECTRICIAN. DO NOT EXCEED THE MAXIMUM WATTAGE RATING.

Installation requirements

- Product must be installed by a qualified electrician.
- All wiring and installation of this light fixture must comply with the National Electrical Code (NFPA70), as adopted by the local jurisdiction, and all applicable state and local electrical codes.
- Do not exceed the maximum wattage rating.
- Ensure a suitable location for installation. Do not install in front of air flow vents or systems and areas compromised by moisture of dampness. If installation area is prone to moisture an appropriate exhaust fan may be required. Damage caused by corrosion is not a product fault, and as such not covered under product warranty.
- Check entire product before installation for any sign of damage. Do not install product if there appears to be signs of damage in any way.
- Ensure before any work is undertaken that the power is switched OFF at mains.
- Refer to the IP rating provided to install the product in a appropriate location.

Safety tips / Maintenance

- Always ensure the power is OFF and the light fitting has cooled down before carrying out any maintenance or cleaning on globe or pendant.
- To avoid damage to fitting, ensure the power lead and screws are secure before connecting the power.
- Ensure that the fitting does not come in contact with corrosive chemicals, etc.
- To clean Disc wall light, wipe with a damp cloth making sure power is OFF.

Warranty

- This product is covered by a 12 month warranty, from date of purchase..
  Warranty does not begin from date of installation.
- This product must be installed by a licensed electrician. Warranty will be void if this requirement is not met.
- Retain proof of purchase and evidence of installation by a licensed electrician.
- Warranty will be void if there is any damage to product, due to improper usage or modification to fitting.
- Failure to follow the instructions in this manual may increase the risk of damage or injury and will void warranty.
- If luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.
